Call to Worship and Silent Adoration

The General Confession (said by all kneeling)

Almighty and most merciful Father; We have erred and strayed from thy ways like lost sheep. We have followed too much the devices and desires of our own hearts. We have offended against thy holy laws. We have left undone those things which we ought to have done; And we have done those things which we ought not to have done; And there is no health in us. But thou, O Lord, have mercy upon us miserable offenders. Spare thou them, O God, which confess their faults. Restore thou them that are penitent; According to thy promises declared unto mankind in Christ Jesus our Lord. And grant, O most merciful Father, for his sake; That we may hereafter live a godly, righteous and sober life. To the glory of thy holy name. Amen.

THE SHARE FUND thanks those of you who have sent in letters of thanks received recently for your gifts of food parcels at Christmas time for our London and Birmingham mission friends. These are quotations from Yorkshire: "You folks at the Church do not grow weary in well-doing." (But haven't we done so lately?) . . . "It beats me how you are all able and willing to keep up this grand work. You may be assured we will make the best possible use of your fine gift." . . . "We try to share our good fortune with others, and today have with us two elderly pensioners who watched us open your food and thought it wonderful. They will have noodle soup before they go, also a little extra something from your box to take home." . . . "We have just unpacked your Christmas boxes and it is Christmas Eve. Many here in England will be much happier tomorrow because of the kindness we have received from the friends at T.E.M.C." Please send us more money so we may continue this work.

DR. DARBY'S BOAT

A letter of sincere thanks to the congregation has been received from **Dr. Darby** regarding the replacement of the engine in his launch, which was done by this congregation at a cost of $4,000. The following is a short extract from Dr. Darby's letter referring to the boat. ". . . This past week we had a radiophone call from across our channel, saying that a child had fallen into the water and was apparently drowned. As the launch is moored in front of the Hospital, I rushed down to the beach and rowed out, pressed the button and in a few moments the engine was warm enough to proceed. This is much better than with the other engine. Unfortunately the child had been in the water about an hour before they could find him, and he was already dead. With both the radiophone and the launch, which makes so much better time than previously, we can really respond to sudden calls of this sort."

You may obtain a copy of our minister's first full-length book, **NO COWARD SOUL,** through the Church Office. Profits on such purchases go to the Missionary Club Funds.
